

WELCOME TO PANTECHNICON

Pantechnicon is the home of Nordic & Japanese creativity and craftsmanship. Located in a striking grade-II listed building on Motcomb Street in Belgravia, the grand exterior gives way to a relaxed yet dynamic interior.

With four floors and eight spaces, we've got a big collection of beautifully set tables, hidden nooks and inviting areas available to hire, whether it be for work or play.

A space that's open to all, we pride ourselves on being ultra-friendly and welcoming to anyone who walks through our doors. If you'd like to have a chat through hiring any of our tables or areas, please drop us an email or give us a call.

A TASTE OF THE NORDICS

From booking a hidden table in our restaurant Eldr to taking over our beautiful glass covered Roof Garden, our Nordic-inspired spaces are a fit for any event or occasion.

Our food is served from Eldr's open kitchen which celebrates the simplicity of Nordic food by preparing British ingredients through traditional techniques like curing, smoking and open fire cooking.

Our carefully crafted cocktails and spritzes are created by our resident Nordic mixologists of the moment, with the drinks menu completed by a curated selection of gin, akvavit and wine.
