The COACH

Welcome to The Coach

The Coach was established in 1790, and has been at the heart of the lively clerkenwell community for generations. There is never a dull moment in our bustling traditional pub, where you can enjoy a drink from our extensive list of wines, beers and cocktails, plus tuck into a selection of our irresistible bar snacks or a la carte menu.

Pub

Our extensive drinks menu has something for everyone. We have curated a list of wines that we enjoy drinking, balancing familiar Old World names with some new and exciting producers. Our bar stocks highly drinkable ales and draught lagers from independent or family-run breweries.

Garden Room & Terrace

Located just beyond the pub bar, this beautifully light and spacious room is perfect for parties, and in good weather it also includes the full use of the terrace.

Capacity: Up to 40 seated.

The First Floor Dining Room

Our beautiful dining room is a highly flexible space, perfect for parties, standing receptions or large dinner parties. Non-private table bookings are also available for up to 15 guests.

Capacity: up to 50 seated & up to 70 standing

Blue Room

This cosy private dining room is perfect for a more intimate dining experience, or a comfortable setting for a meeting.

Capacity: Up to 10 seated.

Weddings

The Coach in Clerkenwell is an ideal choice for weddings. You have the option to rent either the enchanting garden room and garden, the elegant first-floor dining room, or even reserve the entire venue exclusively for your special day. What makes it even more exceptional? You and your guests can enjoy the convenience of staying overnight in one of the five charming accommodation rooms located upstairs.
