A photograph of a restaurant table setting. The table is made of a brushed metal material. On the table, there are two clear glass tumblers, one in the foreground and one in the background. A white napkin is folded and placed in the center, with a silver fork and knife resting on it. The background shows wooden chairs. The lighting is warm and directional, creating strong shadows.

The image shows a cozy interior space with dark blue wood-paneled walls and large windows. Two worn brown leather armchairs are positioned in front of the windows, which are adorned with three potted plants with reddish-green foliage. A rustic wooden table in the foreground is set with glasses and cutlery. A wooden chest serves as a coffee table, and a light-colored tufted ottoman sits in front of it. Sunlight streams in from the windows, creating a warm atmosphere. A small sign on the wall reads "MIND YOUR BAGS".
