THE VENUE

Artfully blending rustic authenticity of Mexican culture with the refined elegance and sophistication of Japan, Los Mochis Notting Hill is a design-led,art-filled space.

Subtle ambient lighting and bold finishes are complimented by warm timbers and rich cognac leathers.

Vibrant art hangs from exposed brick walls,in particular, eyes will be drawn to a tongue-in-cheek flower-adorned ‘shrine’ to Yoda taking centre stage, representative of the playful nature of Los Mochis, quite unlike anything else in London.
