ALL THAT GREEN

This one's got crunch for days – pea, broccoli, cucumber, sweet potato and lettuce – all doing their thing in a zesty chilli lime dressing. Topped with spiced seeds and jalapeño for a little extra fire and baked sazon tofu. Comes with avocado pea smash and crispy tortilla chips, because basic is not on the menu.

RUN THE JEWELS

Quinoa, but make it a statement – spiced up with pomegranate, baby spinach, cherry tomatoes and soft herbs, all tossed in a bold lemon cherry harissa dressing that knows what it's doing. Topped with grilled amba chick+n pieces. Comes with creamy hummus and toasted pita slices. Clean, sharp and seriously satisfying.

RAINBOW CONNECTION

A crisp, colourful slaw with beetroot, carrot, daikon pickle, baby spinach, bacon-glazed mushrooms and edamame beans. Cold sesame soba noodles keeps it chill, while that rich peanut satay dip brings the flavour like it means it. Bold, bright and impossible to ignore.
