

Talented Chef patron, Mark Birchall creates delicate, produce driven menus inspired by our exceptional, natural surroundings. Produce grown in our kitchen garden or from local suppliers is used wherever possible, reflecting both the seasons and quality of British ingredients. We start on our doorstep and work our way outwards.

We wish you an exceptional dining experience.

“ One of the very nicest things about life is the way we must regularly stop whatever it is we are doing and devote our attention to eating ”
