

WINE LIST

Welcome to the latest M wine list. As ever, we have endeavoured to select the finest wines from all over the world for your enjoyment. Our list takes you on an international journey through the favourite vineyards of M and includes offerings from the world's most renowned producers as well as small, independent wineries and hand-crafted wines. Many of these offerings are exclusive to M.

Wines highlighted in **Burgundian red** have been specially selected as wines of outstanding quality with limited production, made by the industry's most respected winemakers. On all of these wines we have applied the **M Price Guarantee**, where we simply apply a **£50 margin on top of the retail price – our version of (M)ates Rates**.

Thanks to this, we are delighted to deliver the best-value wine list in the City of London. Diners can enjoy and appreciate some of the best wines on the planet at the best-possible value, alongside M's award-winning globetrotting cuisine.

Some of these wines are the most decorated in history and carry the reputation of being the world's most luxurious. As these wines are extremely rare and hard to find, vintages and availability are subject to change.

We are also delighted to offer 50 fine wines by the glass. Again, one of the best selections in London, spanning the gamut of regions, terroirs and style. Wine is at the cornerstone of the experience at M and we rejoice in being able to share with you some of the best in the world.

Enjoy the list.

Martin Williams
CEO and Founder of M
