

patara

Patara is authentically different  
fine Thai dining.

The first Patara opened 28 years ago at the corner of Sydney Street, as a new style of Thai restaurant in London offering contemporary Thai cuisine under the concept of “authentically different”.

Whether in London, Bangkok, or Patara’s other Asian and European branches, we have always sought to offer the Thai culinary experience at its best: well-crafted, refined and delicious.

Whilst we have always placed great emphasis on recreating authentically Thai flavours and acquainting diners with the true roots of our cuisine, we have also tried to take full advantage of the exceptional seasonal produce and local ingredients available to us here in the UK.

Our “authentically different” food philosophy has also at times inspired more innovative and playful interpretations of our culinary legacy.

We hope that this collection of Thai dishes which we have put together will help pique and indulge your adventurous palate.

Please inform the service staff of any allergies and special dietary requirements. Detailed allergen information is available upon request.

Prices are inclusive of VAT. A discretionary service charge of 12.5% is added to each bill.
