UNUSUAL DESTINATIONS

Every bottle of wine embarks on a unique journey for the person uncorking it. Much like any expedition, some are heartwarming and gentle sojourns to familiar places where cherished memories and stories unfold. Others lead us into the uncharted, where we uncover new wonders, encounter unfamiliar faces, establish connections, sometimes challenge ourselves, and stumble upon newfound favourite memories.

The wine list now in your hands is a thoughtful selection that intertwines both of these distinct paths.

Below, you'll discover a curated collection of more unconventional wines. Some are crafted in locales not commonly associated with winemaking, while others are made using long-forgotten grapes and traditional winemaking techniques.

I trust that, regardless of the journey you embark on tonight with us, it will be one etched into your memory with warmth and fondness
