TXULETON

At SAGARDI Basque Country
Chefs we prepare the "txuleton"
that the grills of Basque barbecues
have perfected over the course of many years. We choose our
meat from the best herds available using cows, starting from
at least six years old, ensuring that all of our beef is at the
height of its flavour. Upon contact with the oak wood-fired

grill, this incredible
tasting meat comes to
life with its uniquely clean
and distinctive flavours from the land, milk and grass all
shining through. The palate never tires of the spectacular
taste of our sublime aged beef, you won't be able to get
enough. In short, it is an honest, natural, top quality product.
