Tanqueray Gin, lemon, sugar and blackberry liqueur are combined with yuzu sake for a Japanese twist on the classic English drink. Yuzu is an Asian citrus fruit similar in taste to grapefruit and mandarins.

Rum and Jasmine

Our Japanese nod to the tiki craze was so popular at Cocktails in the City that it had to feature on the menu. Mount Gay Rum and Cointreau are complimented by our homemade jasmine and basil syrup, apple, lemon and ginger ale.

Saikari

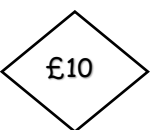

(Sigh-car-ee)

In Japanese bar culture it is common for bartenders to make different drinks for their patrons using the freshest fruit. Ask our bartenders 'What's fresh?' and allow them to add the fruit of the day to our daiquiri style base of Chairmans Reserve White Label, Honjozo Sake, lime and sugar.

Ginger & Lychee Bellini

Ginger liqueur and lychee puree are combined and topped with prosecco. Garnished with candied ginger for a sweet accompaniment to the drink.

Shiso Chuuhai
(She-so Chew-high)

Hendricks Gin and flavours of elderflower are shaken with Shochu, the national spirit of Japan and fresh shiso. British summertime meets the East in this Japanese mojito style drink. Looking for an electric twist? Speak to our bartenders and try this with a Szechuan button flower.

お茶とコーヒー

Sencha Green Tea 3
Sencha has lower caffeine levels making it less bitter than Sencha plucked earlier in the season. It has a distinctly lemon flavour and exquisite colour

Konacha & Matcha 3
An exceptional blend of shredded green tea leaves & Matcha powder. This mixture creates an intense green colour. This tea has unique rich taste which consists firstly of Konacha's fairly astringent taste, followed by a after notes of Matcha's sweetness

Houjicha Roasted Green Tea 3
It is distinctive from other Japanese green teas because it is roasted in a porcelain pot over charcoal. Houjicha has an earthy flavour with hints of caramel whilst retaining the creamy undertones. Low in caffeine which makes it perfect after-meal drink
