COUPETTE

Inspired by France, but proudly London, Coupette offers high quality, great value drinks that are expertly made & simply served.

Coupette was opened in June 2017 as a creative outlet with a huge passion for Calvados, attention to authenticity and unpretentious style. Coupette soon became a London neighbourhood bar with a French accent and an international reputation, winning the industry's top awards and accolades.

Prioritising results over techniques, Coupette's drinks are presented in beautiful classic glassware and consciously balanced for simplicity and discovery. Complex ideas and lengthy procedures take place behind the scenes rather than as showy garnishes, leaving Coupette's guests free to explore the stories, flavours and nuances of the drink through the act of drinking it.
