

OUR STORY

IRRASHAI!

it all started when our founders, tak tokumine and kanji furukawa, opened the doors to the first shoryu ramen in 2012. born from a deep love (and lifelong obsession) with the rich, silky tonkotsu ramen of their hakata hometown, our ramen is rooted in tradition and crafted from recipes passed down through generations. each bowl is a love letter to southern japan, slow-simmered, soul-warming, and made to be savoured. it's in our bones
