## WINE LIST

### WINE LIST: Spring/Summer 2026

Welcome to Paladar! Our wine list has more than 60 wines sourced exclusively from the length and breadth of Latin America.

Most of the wines are from Argentina, Chile and Uruguay, but we have also uncovered gems from countries not best known for wine production, like Mexico and Peru... and a couple of excellent wines from Ecuador - a real surprise!

Along with these, we showcase some great wines from Brazil and less well-known regions of Argentina - Salta, Patagonia, La Rioja and San Juan - along with Chilean valleys, such as Itata, Malleco and Elqui.

The list encompasses a wide range of different wine styles and grape varieties - some of which you may not have heard of, including César Noir, Grüner Veltliner, Petit/Gros Manseng, Marselan and Arinarnoa.

We particularly encourage you to try the region's "Criolla" varieties. These are the offspring of the original grape varieties that the Spanish Conquistadors took across the Atlantic in the 16th Century. Born in South America with fascinating grape names like Quebranta, Torrontés Criolla Grande and Moscatel Rosado, the wines are best served slightly chilled. We have highlighted these, and their "parent" varieties.

Bargain hunters need look no further than the the "Bin Ends" pages where we are discounting those wines being de-listed.

Our "By the Glass" selection includes a number of more offbeat options - including some Criollas and a lovely Uruguayan Marselan. As far as possible, we are keeping wines by the glass at less than £10 each (and hope you can enjoy more than one!)

We continue working towards a "Lower and Lighter" theme: Lower in price and alcohol and Lighter in style and bottle weight. For some time now, we have been selecting wines that are not in unnecessarily heavy bottles - being firm believers in the motto "its what's in the bottle that counts"! All wines of 12%ABV and less as "Lower Alcohol" and we even have them as low as 8.5-9.5%

**Be bold and adventurous... We encourage you to discover the diversity of Latin American wines!**

**ALL OUR WINES ARE AVAILABLE FOR RETAIL SALE AT 50% OF THE DRINK-IN PRICE IN THE BODEGA  
THERE IS A FURTHER 20% DISCOUNT IF YOU BUY ANY SIX WINES AS A CASE**

*12.5% discretionary service charge is added to your bill for wine served in the restaurant (but not for retail sales)*
