

Always debated upon, always fought over, these drinks are inspired by the favourite films of all our flatmates, past and present.

House Surprise Punch

6.75

Like the DVD shelf, this is a hodge-podge of the flatmates' favourite things.

(25p from every punch will go directly to The Little Yellow Door charity project in Nicaragua)

Crimes of Passion

9.50

Our take on the pornstar martini - and we're sure it'd make any visitor to the red light district begin to flutter. It became a hit in Chelsea's townhouse, filmed around the corner.

Strawberry & Cream Infused Element 29 Vodka, Passoa and Fizz

Served in a Goblet with a toasted marshmallow

Kill Bill

9.00

Like The Bride, this cocktail comes in bright yellow and packs one hell of a punch. A sour tang sits on top of hidden depths... as good as lemon and gin gets.

French Earl Grey Infused Boxer Gin, Lemon Juice, Lemon Curd and Thyme

Served in a teacup with a custard cream

The Beach

9.25

This fragrant Thai-twist on the classic Mojito will make you feel marooned on the shores of Ko Phi Phi. Drink three and watch out for sharks....

Toti White Rum, Lemongrass, Ginger, Lime and Leaves

Muddled in a highball with a Thai basil garnish

Casablanca

8.75

"Of all the gin joints in all the towns, in all the world, she walks into mine." A drink as alluring as Ingrid Bergman... Here's looking at you kid?

Bombay Sapphire Gin, Martini Reserva Vermouth, Elderflower and Apple

served with cucumber and mint in a champagne flute.

Coffee & Cigarettes

9.75

We've updated the Espresso Martini with a smooth hint of dark rum to transport you to the Havana of Hemingway and times gone by.

Bacardi Oro, Coffee, Vanilla & Chocolate

Served straight up with a foam head and a 'candied' cigarette.

Space Jam

9.50

We can't promise it'll be as looney, but you'll be dancing to our toons.

Finlandia Vodka, Lychee, Lime and Cranberry

Served in a martini glass - #notacosmo

The Godfather Part II

10.50

"I'm gonna make him a cocktail he can't refuse.." Like revenge, it's a drink best served cold....

Slane Irish Whiskey, Disaronno, Apple and Cloves

Served in a tumbler 'il capo' style

From Russia with Love

9.25

Our take on the Clover Club - muddling Russia's finest export (vodka of course!) with raspberries is as silky smooth as Roger's pick-up lines. "Now put your clothes back on and I'll order you an ice-cream." Woof.
