

# POTUS

BAR & RESTAURANT

P.O.T.U.S began as an abbreviation used by telegraph operators in the 1890's, it stands for President of the United States. Although that era represented the beginning of mass personal communication, we truly believe the best connection between people always happens around a table with food and drinks.

Executive Chef, Pablo Peñalosa, and his team are committed to using sustainable supplies wherever possible with the very best seasonal ingredients. Included within the menu are many of Pablo's favorite dishes with very familiar sounding names. Some of the recipes have been passed down or discovered whilst travelling, and all have been perfected from personal experience and expertise in the kitchen.
