PMD HERBAL INFUSIONS

Specially selected by Reign

CHAMOMILE

Light and refreshing, Chamomile Flowers possesses a clean and sweet flavour that finishes with delicate floral notes. It contains an active ingredient bisabolol.

LEMONGRASS & GINGER

Aromatic and refreshing, the fusion of fresh, zesty Lemongrass with spicy, sweet ginger produces an uplifting herbal concoction.

MATTAKELLE GOLDEN CURLS

A fusion of Japanese and Sri Lanka flavour. Golden curl is grown on Mattakelle Tea estate on the western slopes of Sri Lanka. The tea is harvested from a Japanese tea bush known as Benifuki that was gifted to the estate. The tea is harvested from one leaf and a bud. It has a natural rosy aroma with a jasmine floral flavour. Best enjoyed with pastries and without milk.

PEPPERMINT LEAVES

A cherished herbal tea that has been used for centuries to aid digestion that leaves a fresh minty tang to the mouth. Best enjoyed after a meal as a pallet cleanser or a digestive aid.

PLANTERS' AFTERNOON

The traditional afternoon tea of cakes and sandwiches is best taken with a bright and fragrant tea. This award-winning afternoon tea is hand-picked on the rolling hills of Ceylon's Uva region.

PLANTERS' CHAI

A spicy taste with hints of cinnamon, this tea is made using natural Ceylon spices, which are then carefully married with high grown tea to give a brew that is both reviving and calming.

PLANTERS' EARL GREY

The most aristocratic of teas is infused with the unmistakable aromas of bergamot. To balance the citrus, you need a bold tea. This Earl Grey is hand-picked and infused with a drop of natural bergamot oil.

PLANTERS' GREEN

Grown on the high peaks and hand-plucked to fully satisfy the green tea connoisseur, a large leaf tea curled and pan heated to produce a light mellow brew with a delicate flavour and aroma.

PLANTERS' MISTRESS

A scandalous take on a much-cherished aristocratic classic. A light, golden tea scented with bergamot, orange and lemon peel that leaves the pallet feeling refreshed with a pleasant citrus flavour.

ROOIBOS

Unique to the western cape of south Africa this bright orange infusion that is rich in vitamin C, iron and magnesium.

SERENDIPITY SOUCHONG

A tea which flourishes at sea level and is gently smoked over cinnamon wood, furnishing it with a fragrant smoked note. The finish in this cup is a whisper of spicy sweetness and splendour.

SILVER TIPS

A rarity among the distinctive white teas. These silver tips are hand-picked before sunrise on Brunswick estate, Maskeliya. It takes almost 5 kilos of hand-picked buds to produce 1 kilo of this very special tea. There is subtly woven within the intricacies of this tea, which contains a aromatic scent and a matchless taste that varies with each brew.
