

**26th March 2026**

To celebrate 20 years of 2 Veneti, we are honoured to welcome one of the most respected ambassadors of Italian cuisine, **Giorgio Locatelli**, for a special one-night collaboration on 26 March.

For this occasion, Chef Locatelli has curated an exclusive four-course menu that reflects his signature style – elegant, seasonal dishes rooted in the traditions of northern Italy.

Following a selection of canapés guests will enjoy a celebratory menu highlighting refined flavours, exceptional ingredients, and the shared passion for authentic Italian cuisine that has defined 2 Veneti for the past two decades.

This special dinner marks an important milestone – a moment to celebrate the journey of 2 Veneti alongside our cherished guests and community, whose support has made it all possible
