The image shows a formal dining room, likely a wedding venue. The room features several round tables covered with white tablecloths, each surrounded by blue upholstered chairs with white frames. The tables are elegantly set with white plates, silverware, and multiple glasses. Large, lush floral centerpieces with white flowers and greenery are placed on each table. The room is illuminated by several large, ornate crystal chandeliers that hang from the ceiling. In the background, there are windows with dark blue curtains, and framed landscape paintings are visible on the walls. A tall, ornate silver candelabra stands on the left side of the room. SUGGESTED ITINERARY

We recommend that our couples stay at the hotel the night before the big day so service providers can visit on site in the morning for hair/make up. Start your wedding day with breakfast in bed, or in our exemplary Butlers restaurant.

After your ceremony, your photographer can make use of our beautiful hotel as a backdrop for your wedding photos. While your official wedding photos are being taken, your guests will enjoy a post-ceremony glass of fizz, before being seated for the much-anticipated meal.

Your guests will be seated for the private wedding breakfast, and raise their glasses as the happy couple enter the room announced as newlyweds. The perfect start to memorable moments to come. Relax and prepare for the big day ahead, as our experienced wedding specialists will oversee every aspect of the day, adding the final special touches.

Once seated, you will enjoy a delicious three course meal, followed by tea, coffee and delectable petite fours. Personalised macarons can be served as an extra special touch. After your meal the speeches will commence, and your guests will toast to the happy couple with a glass of bubbles.

Spend the evening with your loved ones around the dinner table, or move into another private room transformed into your evening reception, complete with live music, or DJ and disco.

Just an elevator away, your exquisite suite awaits you for the perfect end to the perfect day.

WEDDING TESTIMONIALS

“The food was impeccable and all the guests commented on this, and still do to this day! There are no words really to describe how we feel about The Chesterfield and we just feel extremely lucky and grateful that we were able to have this experience. The library is a beautiful setting and with the candelabra and flowers it is like a fairy tale! Our families also stayed at the hotel and were treated so warmly by the staff who were always friendly and happy to help in any way. Thank you Suzie and The Chesterfield Hotel - You gave us the best day of our lives and we will treasure that memory forever.”

Kate & George, married in December 2020

“Many thanks again for making our day and time at The Chesterfield so special! Please also extend this to the entire team - the venue, setup, suite, support during the day, food, drinks, service and piano/music were all fantastic.”

Matthias and Huiting, married in May 2022

“Thank you to you and your team from the bottom of our hearts for being so lovely and being a part of our day, we couldn’t have wished for a better venue, your kind room upgrade, or a more accommodating team. Especially your seamstress who actually saved my wedding dress and me!”

Tracy and Christopher, married in December 2021
