'1573' is one of the oldest schoolhouses in the UK.  
The boys grammar school was built around 1573 using stone, timber and lead from St Peter's church that had been demolished following an appeal to Queen Elizabeth I.  
The royal coat of arms is displayed over the entrance.  
The restaurant was founded in 2009.  
With the original structures of the building in place, it gives the restaurant an authentic and historic atmosphere.
