OUR FAVOURITES

We've selected a handful of wines that are a little more unusual, boutique or just plain delicious, perfect for those looking for a vinous discovery!

2022 Falanghina
Di Majo Norante Molise 51

Di Majo Norante winery is located to the north of the Gargano in Molise. Straw-yellow in colour, this elegant wine is like a fresh bouquet, with a pleasant and persistent floral character, and hints of ripe fruits such as peaches and apricots.

2022 Riesling Kaiton,
Kuenhof Alto Adige 75

Complex nose with apricot, mango, and notes of acacia flowers. This Riesling is characterized by a clear structure with an intense mineral taste, with fruity and spicy aromas. There are some very clean fruity flavours here, predominantly lemon, lime, grapefruit and apricot. Very zingy and fresh. A good compromise between a German dry Riesling with lots of minerality the riper flavours of the new world style.

2020 Sauvignon Blanc, Friulano & Pinot Bianco
'Terre Alte', Livio Felluga Friuli-Venezia Giulia 153

Terre Alte is a white wine made by blending Sauvignon, Pinot Blanc and Friulano grapes, it represents one of the highest level of estate's production. The nose is captivating, very intense, elegant and complex: full of great personality and onward persistent. Aromas of exotic fruit perfectly integrated with notes of sage, white peach, elderberry flowers, hawthorn, citrus peel and sweet almond. The palate is full, savoury, articulate, with an intriguing aftertaste.

WHITE WINES FROM NORTHERN ITALY

Encompassing the vast regions of Piedmont in the west to Friuli in the east, all of these whites benefit from the advantage of both cooling mountain influences and the warming effect of both coastal and inland waters.

OUR FAVOURITES

We've selected a handful of wines that are a little more unusual, boutique or just plain delicious, perfect for those looking for a vinous discovery!

2022 Valpolicella Ripasso
Corte Giara Veneto 59.5

This Valpolicella Ripasso is a blend of Corvina and Rondinella grapes grown on vineyards that are situated in the hilly areas of the Valpolicella DOC. The wine has a deep ruby red colour with good concentration of aromas. On the nose, plump, red fruit combines well with sweet spices, giving way to delicately spiced herbs. With an excellent structure and vibrant acidity that create a harmonious balance for a wine that is both smooth and vivacious on the palate.

2018 12 Uve
Paradiso di Frassina Toscana 78

Born from the careful selection of 12 different grape varieties, 6 native Tuscan grapes and 6 from France, all grown in the same vineyard, on a hill shadowed by Mount Amiata and not far from the sea. Its ages for two and a half years in oak barrels and refines for one year in bottles. The producer wanted to make a range of wines to have such individual personalities as to be right at the extreme of what was considered usual. For that reason, he decided to Play music to the vines to improve their growth. Thanks to the music and his passion for it, he discovered the benefit that the vineyard drew from it. The wine is very special and a lovely Earthy aromas and blackberries on the nose. The palate is full bodied, juicy and savoury with a long aftertaste.

2019 Sangiovese, Cabernet Sauvignon,
'Carmignano' Villa Capezzana Toscana 105

A delicious blend of Sangiovese and Cabernet Sauvignon produced on the organic estate of Capezanna in Carmignano. Complex aromas on the nose of almonds, violets and oranges which are intertwined with aromas of coffee and vanilla. It is a full-bodied wine with well-balanced acidity. The rounded tannins from the Sangiovese are lifted by the cassis concentration of the Cabernet on the long, concentrated finish.

RED WINES FROM NORTHERN ITALY

A variety of styles ranging from the elegant yet structured Nebbiolos in the north-west to rich and supple Amarones in the Veneto, whilst international varieties in the Friuli benefit from a freshness borne of the cooler climate. They all share a common juicy acidity that makes them perfect to accompany food.

RED WINES FROM SOUTHERN ITALY AND ISLANDS

Often neglected in favour of more fashionable regions, here local grape varieties and varied soil composition offer a real sense of terroir and rusticity. The heat of the south is combatted by clever planting at altitude, allowing the grapes to ripen and mature slowly. The wines balance concentration of flavour with a level of freshness to pair with a variety of food.
