Istanbulite cuisine: A perfect blend of East & West

John Murray, in his book
“Handbook for Travelers in Constantinople” says:
“No other city in the world can boast of such a
wonderful location; This is the point where the coasts of
Europe and Asia meet, governing navigation between
the Black Sea and the Mediterranean”

At Zahter Istanbul, we offer a selection of ingredient
led, finely crafted dishes and exotic tastes from the
cuisine of Türkiye and many surrounding regions. We use
highly skilled techniques and cooking methods with
open firewood and charcoal ovens to ensure the perfect
flavours and tastes.

As we wish you bon appétit in advance, we hope you
will enjoy every bite you take.

Thank you,
