

LOS MOCHIS

Drinks Menu

WELCOME TO LOS MOCHIS NOTTING HILL

Where Tokyo meets Tulum. Our philosophy is inspired by fusing Mexican spirit with Japanese elegance. Mexican flavours with Japanese techniques are woven into every touchpoint, from the food and drinks to the décor and service.

Our Chefs use the finest, seasonal, and sustainable products from best-in-class artisans creating a menu that is entirely gluten, nut, and celery free. Please let us know if you have any allergies or further dietary requirements and our Chefs will do their best to accommodate.

Our menu is designed to be shared, with each dish served when ready.

Community is at the heart of everything we do, and we are particularly proud of our Give Back Programme. For every meal you purchase at Los Mochis, we provide one for the homeless and less fortunate. With your support, in our first year, we have provided over 264,259 meals.

As we are located within one of Notting Hill's iconic residential areas, Hillgate Village, we kindly ask all guests to arrive and leave quietly so as not to disturb our local residents, thank you in advance.
