Please note that whilst every effort is made to keep our wine list current, some vintages may vary.

We source all our fine wine from the most reputable suppliers, and cellar it in good condition. We ask you to remember that many of these wines are fully mature, and if you order a fine wine which doesn't live up to your expectations, this is unfortunately outside our control.

CHAMPAGNE

ENGLISH SPARKLING

These are heady days for English wine, with better wines being made now than ever before coupled with ever increasing levels of interest. The whole of the south coast from Kent to Cornwall, and even further afield, is now home to vines making both still and sparkling wines. Fizz remains perhaps the most exciting style of English wine, with the cool climate and chalky soils of Sussex and Kent proving a perfect place to grow Chardonnay, Pinot Noir and Pinot Meunier, the same trinity of grapes used to such great effect across the Channel in Champagne. In many cases, the quality of the best English sparklers trumps all but the finest Champagnes and it looks like this style of wine is set for even greater improvement in years to come.

LANSON

Lanson is a wonderful Champagne House with strong traditions. Its Black Label is a blend largely built on Pinot Noir. The Lanson style is based on freshness, elegance, and sophistication. Wonderful on its own. Lanson Rosé is paler than most and very subtle. The Lanson style lends itself to aging. The Extra Age is a blend of three vintages then given an extra 5 years of cellaring. A real treat. Lanson Gold Label is stunning! More Chardonnay in then blend brings great complexity. The Noble Cuvee comes from Grand Cru Vineyards. Both Cuvees are sublime!

BRUNO PAILLARD

Founded in 1981, Champagne Bruno Paillard is a young, dynamic house that has quickly established a reputation for elegant wines with real style. Fresh, dry and vibrant, they are made with an uncompromising attitude to quality that shines through in the glass. A strict quality charter is followed that includes only using the first pressings, vinifying each cru separately and uniquely putting the disgorgement date on each bottle. Owner and winemaker Bruno was made a Chevalier of the Legion d'Honneur in 2006 for his services to Champagne.

BOLLINGER

One of the very few family-owned Champagne Houses left where the focus is still completely on quality and not quantity. Bollinger have 160 hectares of predominantly Grand and Primeur Cru vineyards, which provide 70% of their needs. Pinot Noir provides the backbone to Bollinger's blends, which gives the wine great complexity and depth of flavour. The reserve wines are kept in magnum under cork stoppers and they are all divided up by cru, grape variety and vintage. This veritable library of wines gives Bollinger a vast and extremely precise palette to use for the blending.

POL ROGER

Pol Roger is among the smaller of the great Champagne houses, but ranks with the very highest in terms of prestige and reputation for quality. It is proud to be one of a very select band of Grand Marques still remaining in family hands. The company owns 85 hectares of vineyards on prime sites in the Vallee d'Epernay and the Côtes des Blancs, drawing the remainder of its supplies from growers who have supplied Pol Roger for generations. It was Sir Winston Churchill's favourite Champagne and the top cuvee from Pol Roger produced only in exceptional years was created in homage to him.

KRUG

Krug is the only leading house to produce exclusively Prestige Cuvées. Krug Grande Cuvée is the timelessly stylish signature of Krug and the supreme demonstration of the art of blending. Krug Rosé is vibrant and provocative, seamlessly fusing the elegant Krug style with an excitement all its own. Krug Vintage is a statement - Krug's definitive, one-off interpretation of the character of an outstanding year. Krug Clos du Mesnil is the one exception to the Krug rule of blending, since it is the product, not merely of a single grape variety and a single year, but of a single historic vineyard.

BY THE GLASS & CARAFE

Here at the Mercer we are dedicated to serving you wines in the best condition possible and have installed both Enomatic and Verre-du-Vin systems to achieve this. The Enomatic replaces the residual air in a bottle with inert nitrogen gas to avoid the damaging influence of oxygen on wine. This allows us to preserve more than 30 different fine wines at any time so that you can try them by the 175ml glass or by either 250 or 500ml carafe. 125ml glasses are also available upon request. The Verre-du-Vin vacuum system is used to store not just wines, but also our wide range of champagnes, sparkling, dessert wines and port which we also serve by the glass.

CHÂTEAU D'ESCLANS

Possibly the oldest estate near Frejus on the Mediterranean coast, Chateau d'Esclans was purchased by Sacha Lichine in 2006 based on a strong intuition that applying the philosophies behind the great wines of Bordeaux and Burgundy would ensure an unprecedented rise in the quality and popularity of Provençal rosé. While 'Whispering Angel' is fresh, fruity and bone dry, the 'Esclans' marks the entrance of the lightly oaked style characteristic of the rest of the range. 'Les Clans' draws favourable comparisons to high end white Burgundies, while the super exclusive 'Garrus' is the product of only three select barrels per vintage.

SUPER TUSCANS

During the 1970s DOC Chianti wines were suffering, and amongst consumers were often perceived as lacking in quality. A small group of producers aimed to remedy this situation by producing their own 'Chianti-style' wines that ignored the DOC regulations, but that thus fell into the lowest Italian classification of *vino da tavola*. However, it was soon recognised that these were wines of extremely high quality, and they are now highly sought after.
