Our environmental heroes

Sapling 

Say hello to a b-corp awarding-winning, sustainable spirits that do good as well as taste good. For every bottle sold, Sapling Spirits plants a tree to combat deforestation. Sapling prioritises waste reduction, eco packaging and reforestation – which means every bottle of spirit produced has a carbon negative footprint.

A celebration of British botanicals, Pentire prides itself on distilling non-alcohol spirits from natural coastal ingredients, picked from the headlands of Cornwall. Soil Association-accredited Fairtrade and organic ingredients are used wherever possible, and all botanicals are extracted naturally.

Award-winning rum with a cause, 10% of Hawkbill's profits go to turtle conservation projects in the Caribbean. With every sip, you can feel good knowing that you're helping to keep the critically endangered Hawksbill turtle, from which the rum takes its name, in our seas. Every bottle is plastic-free and uses recycled materials and plant-based inks.

ONE  LIVING 

One Living are on a mental wellbeing mission to help people 'Feel at One' through a living diet, giving back and wellbeing support. The kombucha is rich in live cultures and anti-oxidants, dairy free and vegan so they can be enjoyed by everyone. Every drink funds mental health charities.

FLAW!
SOME! 

A family-owned business, Flawsome! has been crafting naturally delicious cold-pressed drinks from wonky and surplus fruit since 2018. The team's flair for flavour has seen it win 12 Great Taste Awards, and every bottle boasts no added sugar, artificial colour or flavours.

On a mission to create the world's most ethical beverage, Karma Drinks makes organic, additive-free, Fairtrade and award-winning drinks in plastic-free packaging. Even better, 2% of revenue from every Karma Drink goes to our Cola nut growers and their communities in Sierra Leone, helping to drive economic and social independence, as well as supporting regenerative farming and tree planting.
