GIN & TONIC EXPERIENCE

Cambridge Japanese Gin & Fever-Tree Light Tonic £15

The world's first gin to focus solely on Japanese botanicals, with these exciting and unusual flavours, which were only accessible because of Cambridge Distillery's low-temperature distillation processes. Japanese Gin is made using six botanicals: juniper, shiso leaf, sesame seeds, cucumber, sansho and yuzu: each distilled individually in a vacuum, then blended for exceptional purity of flavour. Serve long with an equally delicate tonic, and garnish with a fan of crisp green apple.

Warner's Rhubarb & Fever-Tree Mediterranean Tonic £13.5

Inspired by a crop of rhubarb originally grown in Queen Victoria's own kitchen garden, this vibrant pink gin has changed the flavoured gin category and ignited the pink gin boom! With fresh rhubarb juice in every bottle, this truly is a craft gin like no other. Fresh, tangy rhubarb explodes on the nose with a pinch of black pepper. The palate gives complex and mouth-watering rhubarb with cardamom and sweet orange. Rhubarb returns with cinnamon for a long, sweet finish.

GIN & TONIC EXPERIENCE

Tanqueray Flor de Sevilla & Fever-tree Mediterranean Tonic £12

Tanqueray Flor de Sevilla is a unique distilled gin made with Sevilla orange essences and other fine botanicals. Inspired by Charles Tanqueray's original recipes and the ripening oranges growing on the trees in sun-drenched Seville, the result is a perfect balance of the uniquely bittersweet taste of Seville oranges balanced with the complexity of Tanqueray London Dry Gin. Best served with Premium tonic and a squeeze wedge of orange.

No. 3 London Dry Gin & Fever-Tree Indian Tonic £13.5

*The most refreshing balance of 3 key flavour: Juniper, Citrus & Spice.
Juniper to the fore, supported by floral notes and spicy, warm cardamom. Plenty of citrus 'zing' complemented by the gingery spiciness of coriander. Bright, Crisp, and fresh from the citrus peel of grapefruit & orange, follow the spice coriander and cardamom.
Best served with fresh grapefruit and rosemary.*

Monkey 47 & Indian Fever-Tree Indian Tonic £15.5

*Very attractive nose with typical London Dry characters with some slight spicy notes. Crisp and fresh on the nose and equally so in the mouth. Some tangy notes in the mouth add extra freshness to the traditional characters. Fairly complex.
Good balance of all components and racy, fresh finish.*
