KIRIN SIGNATURE

The Peking Duck has deep roots in the royal cuisine of imperial China. It was originally created for the imperial court and was considered a delicacy reserved for the Emperor and high-ranking officials. The dish was so highly prized that it was included in imperial banquets and feasts.

Prepared meticulously by our Chef using an ancient Peking recipe, Kirin's Legendary Peking Duck offers a truly authentic tasting experience.

For the first serving, the roasted duck is presented with pancakes, leek and cucumber strips, as well as a traditional dipping sauce.
