

# VIVAT BACCHUS

*A taste of South Africa*

We believe life's too short to drink bad wine, and at Vivat Bacchus, that is impossible. We are lovers of the old world as well as the new, but have a soft spot for wines of South Africa thanks to our roots. We take pride in our selection, and there is nothing on our list that we would not get stuck into ourselves.

### Rainbow's End Wine Estate

Dr Jacques Malan gave up his practice to pursue his love of wine. Now his son Anton makes the wine and his other son Francois tends the vines of the 22 hectare estate in Stellenbosch. The vineyards rise up from the valley floor to 550m above sea level high up the Jonkershoek Mountain

### Nieuwe Haarlem

Named after a Dutch Indiaman wrecked in a storm in Table Bay in 1647. Captain Leendert Janszen and his crew stayed behind to look after the shipwrecked cargo, planting Cape's first vines.
