Donal felt that the *Apricot* tale had become rather exaggerated of late.

## INTRODUCTION

Welcome to Dickie's ledger of libations – the finest of snifters, gargles, tipples and bracers. Being somewhat of a stickler, Dickie has arranged them in classic single-entry bookkeeping style:

After a strenuous day's plant-hunting or something equally arduous – bonsai carpentry or goldfish milking perhaps – Sergeant Taylour and Donal agree there's nothing better to help one unwind, and to stiffen the resolve for the next day's valiant endeavours.

Cin-cin!
