TEA SELECTION

PALACE EARL GREY

This is our very own secret recipe of the finest quality black tea leaves and natural bergamot oil. This heady and fragrant tea has balance, flavour and a distinct citrus finish. It is strong, full-bodied and can be enjoyed with either milk or lemon; working wonderfully with foods that have aromatic and fruity flavours.

WHITE PEONY WITH ROSEBUDS

Known as the “champagne” of teas and amongst the very rarest in the world, this blend is completely unprocessed and uses tea from only the highest, rarest and expensive bushes specially cultivated for the perfect leaf shape.

Whole leaves are picked by hand and dried according to traditional methods so one can enjoy the most exquisite cup of tea possible.

ORGANIC CHAMOMILE FLOWERS

Only the finest egyptian grown organic chamomile and whole flowers are selected for our tisane, which has a sensational aroma and a simply superb flavour. If you're looking for a calming, sophisticated and elegant beverage to take with a traditional afternoon tea or a wind-down caffeine-free night cap then you cannot do any better than a cup of organic chamomile flowers.

COVENT GARDEN BLEND

This blend is inspired by the famous flower market and is a combination of the highest quality, gold tipped chinese yunnan leaves, specially cut peppermint leaves and bright blue cornflowers. Together they have the colour and aroma expected of a victorian flower stall whilst having notes of a subtle sweet caramel finish.

PURE ORGANIC SPEARMINT

The top quality spearmint we infuse grows in the middle east and northern africa and has been used medicinally for thousands of years to settle the stomach. Our pure organic spearmint contains less menthol oil than peppermint making it slightly sweeter and easier on the palate. Most notably the romans used its antioxidants and vitamin c to improve concentration and works well as an excellent palate cleanser between courses with both savoury and sweet foods.

PALACE BREAKFAST

Using only the highest quality hand-picked leaves, this blend is strong, malty and contains spicy assam from the plains of india combined with an aromatic, complex ceylon from the tropical highlands of Sri Lanka. Created in 2005, this blend is a refined and elegant version of breakfast tea.
