

ANGLOTHAI

Our list focuses on growers, winemakers and importers that have been pivotal to AngloThai's journey to date. We champion thoughtful producers who cite excellent craftsmanship at the forefront of grape growing, harvesting and innovative winemaking methods. The wines have a sense of place and time, while being made with love and respect, ensuring each bottle is alive with energy and flavour.

Our travels around Central Europe have established relationships with growers that focus on modern wines from less recognised regions, namely Austria. These cooler climates are home to vineyards producing wine that we believe are well suited to the bold cooking at AngloThai.

Our signature wines have been made in partnership with Nibiru, who are based in Austria's Kamptal region, where the soil composition is made up of Löss, a fertile layer of clay, sand and silt, as well as a deeper layer of solid rock and minerals. These conditions give our signature wines minerality, freshness and depth
- qualities that embody our wine ethos.
