# RAKSHA MASK

Raksha Masks are traditional Masks in Sri Lanka. They are magic masks that have super exciting faces.

They look like animals with different decoration for all types of magic.

Look at the Raksha Masks below - can you see animals, funny faces? Fire? Feathers?

We've got Raksha Masks on our walls - can you spot them?

## CREATE YOUR OWN MASK FOR HOME... OR SEND IT TO OURS!

Use all your colours & draw shapes that you think would make a magic mask. Back in Sri Lanka, we've got lots of friends in a charity children's home

called the Meth Mihira Special Education Centre. The children there love drawing & colouring, and we know they'd love to see your coloured mask

pictures too. So, when you've finished, put your name on it and we'll send it over to the children in Sri Lanka!
