## TESTIMONIALS

### ““ TABLEAU

“From the moment we made our first enquiry to the follow-up care post-party, the level of service we received from Tobacco Dock was absolutely faultless. The venue is truly unique with a mixture of indoor and outdoor areas, the rooftop views and, of course, the ice rink. We couldn't find anything that came anywhere close to comparison in the city for such an event. Thank you to everyone who made this a party to remember!”

### ““ ST GEORGE CITY

“It was brilliant, thank you so much for everything, we felt really looked after and the food and drinks were excellent! As our next-door neighbours, you will definitely be seeing more of us.”

### ““ TOKIO MARINE HCC

“For our summer party this year we wanted to do something special, and when we visited Skylight we knew we found the perfect space for it! As we had about 350 people attending, we decided to hire the entire space so everyone could make the most of the croquet and pétanque courts.

The city views made a perfect background for our event, the food and drinks were great and the silent disco and photobooth were a huge hit! Thank you to the Skylight team for making it a great evening!”

### ““ CISCO MERAKI

“We had a wonderful summer party at Skylight despite the weather not being great. The Skylight team was incredibly helpful through the process, and the staff on the night were very hospitable. We will definitely be back!”
