

## Bourbons

"I wish to live to 150 years old, but the day I die,  
I wish it to be with a cigarette in one hand  
and a glass of whisky in the other."

- Ava Gardner

**WILD TURKEY 101** 5.  
Anything Jimmy Russel touches is gold but this in our opinion is straight up the best bourbon in the States. Don't agree? Drink 6 and then we'll convince you.

**DADDY RACK** 5.75  
The new boy on the block come to give big Jack the boot. Hailing from Tennessee and rocking a sour mash of corn, rye & malted barley.

**SAZERAC RYE** 5.75  
Straight up rye whisky from Kentucky aged in new charred barrels. The base of the Sazerac cocktail and our stupidity.

## Blends

**MONKEY SHOULDER** 4.5  
It's three main malts are Glenfiddich, Balvenie and Kininvie - all Speyside. It's not made for sipping, its made for mixing. So go right ahead and get a whisky and coke. No Shame!

**NIKKA DAYS** 6.  
A top notch blend. Hailing from the bonny banks of... Sendai, Japan. One of those 'Anything you can do, I can do better' scenarios!

## Malts

We like to do things differently! As do the incredible Indie Bottlers we stock.

These folks offer an alternative take on whisky by purchasing malt casks from traditional distilleries across Scotland. Using expert knowledge they blend a combination of casks together, sometimes ageing them further, often resulting in some interesting and completely unique creations.

Our collection is particularly special, all small batch, and chosen for their fine taste and quality. Please ask for more info.
