

Where it all began...

1970s

One mic, zero inhibitions

Karaoke kicks off in Japan - a simple idea that turns into a global obsession (for obvious reasons).

2005

We brought it here (and made it better)

Born from a legendary night in Tokyo, our founders opened the iconic Lucky Voice Soho. Private rooms. No stage. No pressure.

Today

Same idea, better nights

From one Soho basement to seven venues worldwide - more songs, better cocktails and unforgettable memories made since day one.
