ABOUT US

A different approach to the West London clubbing scene.
A club for all generations.
B London is unique! A stripped back, underground, modern, boutique club with a focus on music. Hide away from the busy streets of Kensington at B London, or escape to Cuba and sip on cocktails in Cubanista.

VANITY FAIR

THE CORRIDORS

Curtsey to Her Majesty Queen Elizabeth II as you pass her in the hall way. A nod to the Lego man and a wave to the smoking woman as you exchange moments with these colourful designs on your way to the club.

Down the stairs and turn right...

THE CLUE:

...where you'll find a five tonne concrete DJ booth holding fort in the VIP area; the throne for a state of the art sound and lighting system.

AI pop art surrounds the walls of the dance floor. Take a selfie with British Icon Kate Moss or battle Darth Vader with your Saber!
Spot Cat Woman lurking in the corner.

THE MAIN BAR:

What's your tippie?

Every top club needs a perfectly curated bar to guide your tastebuds through the night. From the finest Champagnes to the most thirst quenching Tequilas, B London's main bar has you sorted. Mixologists are on hand to mix up the classic cocktails!

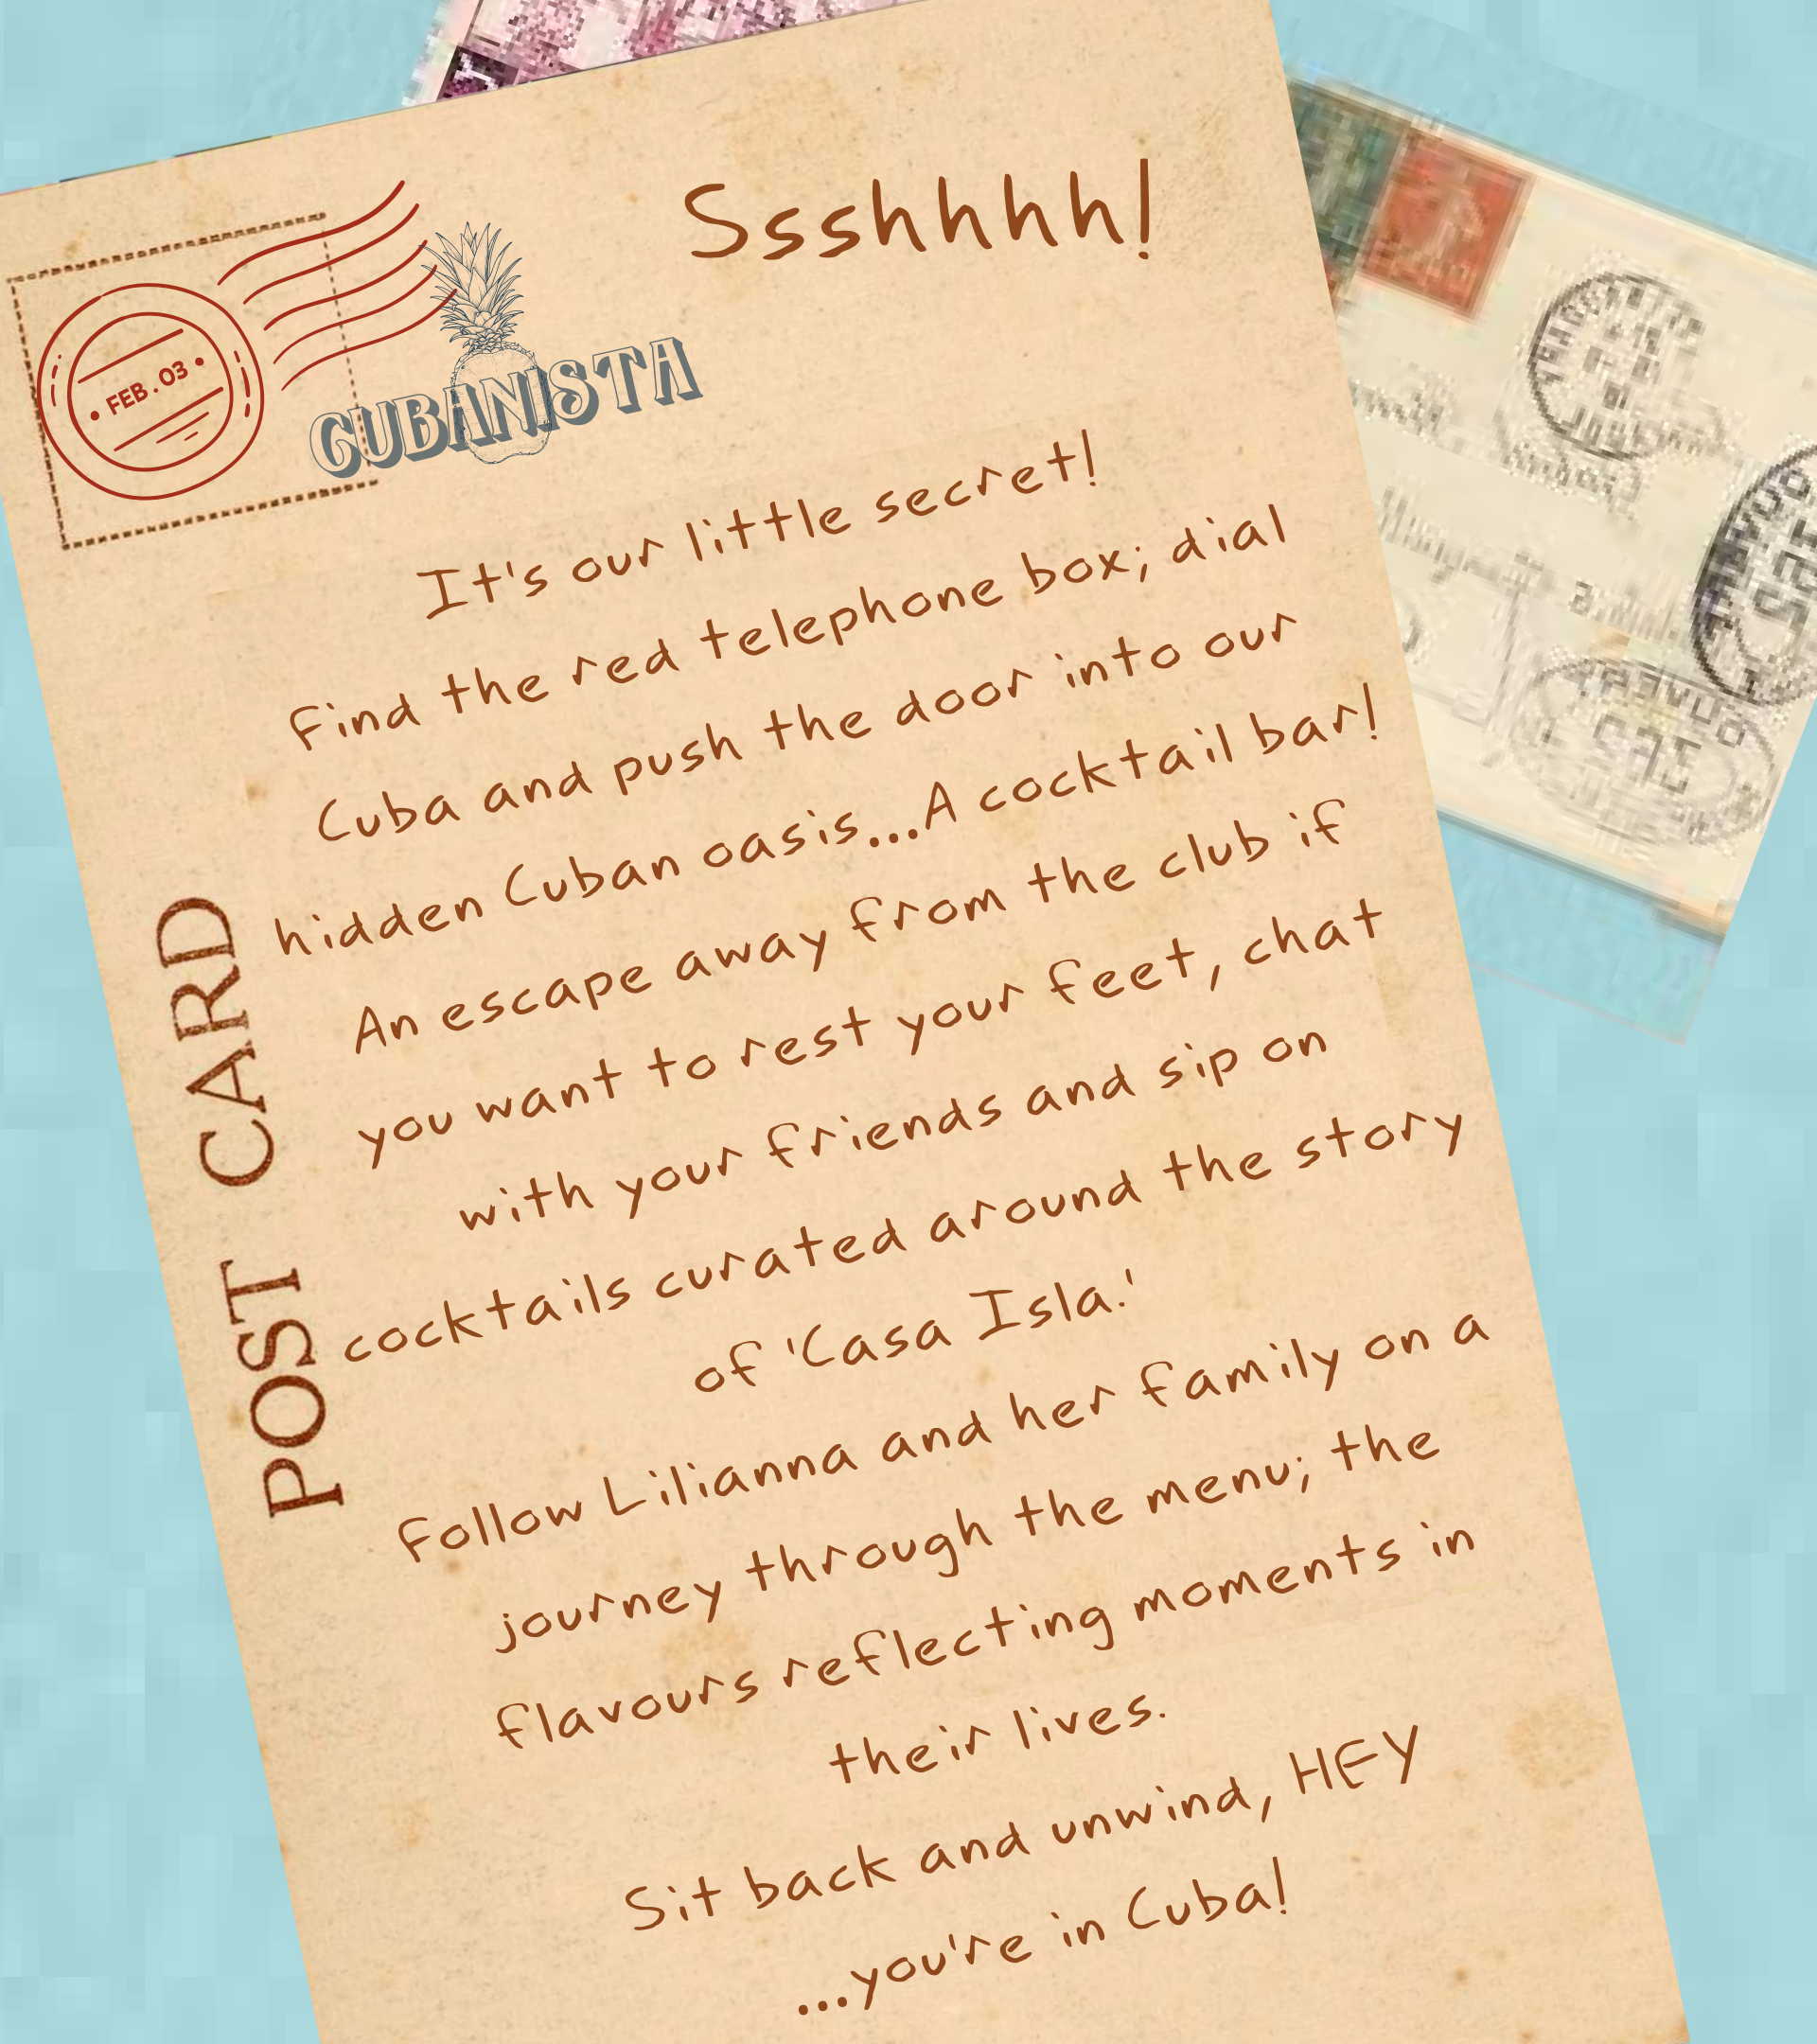

LADIES ONLY

If you didn't manage to snap a selfie with Kate in the club, take one with your bestie in the Ladies loos.

With the fluorescent lights reflecting all the way down the corridor...you'll never walk into the mens accidentally again.

Ssshhhh!

POST CARD

It's our little secret!
Find the red telephone box; dial
Cuba and push the door into our
hidden Cuban oasis...A cocktail bar!
An escape away from the club if
you want to rest your feet, chat
with your friends and sip on

Follow Lilianna and her family on a
