ABOUT OUR WINE LIST

We have created this list to offer a range of wines that are interesting, tasty and complement our food and ethos.

Many of these wines are organic, biodynamic or use minimal intervention. Some regions and producers will be familiar, some may not.

More often than not we choose a wine by how we feel; like a fresh crisp white, or perhaps something more textural. Our list is a reflection of this.

For those looking for something more iconic or significant, we have our cellar selection towards the back.

We are here to help guide, and even lead you astray, as you discover our world of wine.

Cheers!

Roe Wine Team
