Be adventurous and try a glass or bottle with your meal, from the bone dry to the exceptionally sweet go on it's a treat!*

### **Solera 1847 / 18%**

50 ml **£5.00**

*This is a cream sherry or Oloroso Dulce. Sweet Pedro Ximenez wine is blended with dry Oloroso to give us something between the two styles. This is the style we associated with 'Granny's favorites', however this is the real deal using PX instead of being sweetened by inferior methods. A sweet, nutty flavours of oranges & figs will be enjoyed here.*

### **Nectar PX / 15%**

50ml **£5.75**

*100% Pedro Ximenez produced from grapes left out in the sun for weeks before being fermented, which concentrates the natural sweetness. Chocolate, fig prune & raisin dominate the flavors with lashings of coffee too! Try with vanilla ice cream.*

### **Del Duque / 21.5%**

50ml **£7.50** / Bottle 375ml **£55**

*This sherry spends its first 4 years as Tio Pepe before spending a further 4 years in the Vina AB solera system before finally being transferred to the Del Duque solera for 22 years! It is a bone dry aged sherry, offering an incredible concentration of flavours from decades of oxidation & evaporation. Dry orange peel, hazelnut & caramel.*

### **Apostoles Palo Cortado PX / 20%**

50ml **£11** / 375ml Bottle **£75**

*To produce this wine, palomino grapes & PX grapes are pressed, fermented separately & both then spend 12 years in separate soleras before being blended. At this point they enjoy a further 18 years together harmoniously in the Apostoles solera. Although appearing sweet on the nose, this sherry is medium dry on the palate with flavors of fig & raisin balanced with caramel, vanilla & walnut.*

### **Matusalem Oloroso/ PX / 20.5%**

50ml **£11** / 375ml Bottle **£75**

*The Oloroso & PX spend 15 years in their own soleras before being blended together to spend a further 15 years in the Matusalem solera. This is a beautifully sweet Oloroso with profound flavors of dried fruit & spices. Perfect with cheese or a dessert.*

### **Noe PX / 15.5%**

50ml **£11** / 375ml Bottle **£75**

*This wine is 100% Pedro Ximenez. The grapes are harvested & left to bake in the sun for up to 4 weeks before pressing, which yields small quantities of very concentrated, sweet brown nectar. The wine spends 30 years in the Noe solera before bottling. At 450 grams per litre of residual sugar, it is one of the sweetest wines in the world! A dessert in its own right!*
