Vinum

noun. /'viː.nəm/

latin translation: wine.

Vinum

Our wine list has been thoughtfully curated in partnership with Burgundy Wines Ltd, based very locally to Tottington Manor; a collaboration that celebrates both expert sourcing and local relationships.

Over a quarter of our wines are proudly from Sussex. Thanks to the region's unique chalky soils and cool climate, Sussex is producing award-winning white, red, rosé and sparkling wines that rival some of the best in the world. If you haven't yet explored what's on your doorstep, we highly recommend starting here.

Alongside these, you'll find a handpicked global selection, chosen for quality, character, and perfect pairing with our seasonal menus. Whether enjoying a glass or a bottle, our in-house wine specialists are here to guide you. With our Verre du Vin preservation system, we're also able to offer some of our most premium wines by the glass - because even just one should be exceptional.

HELEN'S CHOICE

Chateau Maucoil Côtes-du-Rhône Villages Blanc

Chosen after visiting the vineyard in 2024. Well known for being a quality Red, but this White is smooth and has a 'ripe fruit from the South of France' feel about it and it pairs with my favourite Fish, Pasta and Salads on our Menu.

PHIL'S CHOICE

Bolney Estate Winemakers Edition Sauvignon Blanc

With Bacchus considered the British Sauvignon, it is unusual to find a Sauvignon Blanc of this quality produced on our doorstep. It's smooth and zingy and is best enjoyed on a sunny day on the decking overlooking the Downs, I could drink this with anything!

CHEF'S CHOICE

Tabali Pedregoso Gran Reserva Carmenère

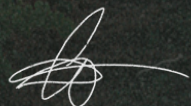

This is a relatively new wine on our list and it's a definite favourite. It's full, fruity, has good levels of tannin and a beautiful smokiness on the nose and on the palate. Enjoy with our Roast Sirloin, our South Downs Lamb or just on its own.
