Fettercairn 12 Year Old

Locally Sourced Whipped Honey

It is said in the Western Isles of Scotland that the druid's of old imparted their ancient knowledge unto the bees & as such this led to scottish lore of the secret knowledge of the bee's, along with the scots saying 'ask the wild bee for what the druid knew'.

In the Highlands it was thought that when in sleep, trance or death that the soul left the body in the form of a bee, perhaps emulating the druidic art of 'soul-flight' - travelling to the plains of the otherworld - to gain knowledge from the spirits & divine gods.
