A WINTER'S TALE AFTERNOON TEA

Inspired by *La Belle et La Bête*, a fairytale written and first published by French novelist Gabrielle-Suzanne Barbot de Villeneuve in 1740 and famously re-told by Walt Disney Feature Animation as "Beauty and the Beast".

Our afternoon tea is thoughtfully curated by Executive Chef Luke Rayment-Blakey to celebrate the delicate marriage of bold flavours and delicate techniques, playfully incorporating some of the much-loved scenes and characters with a Waldorf twist.
