SELECTION OF TEAS

Our tea is supplied by Camellia's Tea House – an artisan producer and importer, hand blending its teas here in London.

Just as with wine, tea is influenced by soil type and climate, in addition to differences in the farming and production process. It is thought there are around 1500 variants of tea, produced in 36 countries.

We have carefully selected 22 exceptional and sustainable teas for your enjoyment, including our own signature blends and very special premium rare teas.
