Office parties, festive catch-ups, the last Friday before the break - whatever the excuse, our bars are made for celebrating. From end-of-year drinks to full-blown Christmas takeovers, we've got the space for any fiesta.

Keep it casual + order from the menu, or go big with our festive sharing platters - the choice is yours. Drinks packages? Obviously. Cava on arrival? You'd be mad not to. Good times? Guaranteed.

We've got the vermut, kroketas + jamón - you bring the people (ugly Christmas jumpers optional).
