# Signature Tequilas

A selection of the world's finest 100% blue agave tequilas

(H) The highlands consist of red clay soils, higher altitude, more rainfall, and cooler nights. Under these conditions the blue agaves grow larger, sweeter, and are fruitier in flavour

(L) The lowlands consist of volcanic soils and lower altitudes which produce less sweet agaves with more mineral characteristics that tend to be herbaceous and peppery in flavour

## Extra-Añejo (Extra-Aged)

25ml / 700ml bottle

**Ambar** 15 / 360

Sweet notes of cooked agave with silky smooth maple, vanilla and oak flavour (H)
