JING

English Breakfast (India)

The ultimate single origin 'english' breakfast tea. Expertly blended from selected gardens in Assam, India, for a satisfying, robust black tea with honeyed malt richness

Earl Grey (India)

An invigorating black tea lifted by fresh and exuberant citrus. For supreme texture and flavour, a touch of natural bergamot extract tempers the tea's inherent richness.

Jade Sword (China)

Bursting with sweet spring flavour, and succulent fresh taste, this is our introduction to exceptional green tea in biodegradable tea bags. A refreshing infusion with sappy top notes.

Peppermint (Germany)

Deep green, whole dried peppermint leaves offer an intensely refreshing infusion that exudes an engaging and cleansing menthol aroma, with an invigorating, cooling finish.

Chamomile (Croatia)

Soothing late-summer chamomile blooms in whole leaf, biodegradable tea bags. We select only the brightest whole flowers that have been dried slowly to retain their essential oils, delicate flavours and floral aroma.
