Ashmolean Tea

Created in collaboration with local business: Team Tea, this very special tea blend has been inspired by the Ashmolean's collections, using teas with heritage to convey human stories. We have created a blend rooted in a malty second flush Assam, combined with an exquisite single estate Darjeeling and a very special Black Gunpowder from China, a link to Guy Fawkes' lantern, a highlight of the Museum collection. To be enjoyed at any time of day and can be drunk with milk.

Ashmolean Bloom

Created in collaboration with local business, Team Tea, this naturally caffeine-free blend has been inspired by the botanical artistry of trailblazing designer May Morris, whose exquisite floral work remains a highlight of the Ashmolean's collections. A vibrant green rooibos forms the heart of this blend, softened with tropical fruit, warm coconut and a confetti of rainbow petals rose, cornflower and raspberry as beautiful in the cup as it is to drink. Refreshing, gently sweet and full of colour. Best enjoyed without milk.

The following selection of loose leaf tea have been sourced from Birchall. Birchall produce Carbon Neutral tea from their solar powered factory in Wiltshire. Teas are Fairtrade and sourced from Rainforest Alliance Certified farms.

Great Rift Breakfast Blend

(Decaffeinated is also available)

Crafted using the finest teas from across East Africa. Great Rift has an unrivalled bright and brilliant taste, which has made it the UK's most awarded tea, winning a prestigious Great Taste Award for a record 13 consecutive years.

Darjeeling

An exquisitely delicate whole leaf tea that has been cultivated high up in the foothills of the Himalayan mountains. Often referred to as the 'Champagne of Teas'.

Virunga Chai

Virunga Chai infuses the brightness and vitality of a supreme African black tea, with red rooibos from South Africa and an eclectic blend of herbs and spices.

Oolong

Single origin oolong Formosa is grown high up in the mountains of Taiwan. It produces a fresh, light and delicate liquor.

Green Tea

Mao Feng is a pure green tea sourced from China where the very best green teas are found. This cleansing whole leaf green tea brightens up when infused, producing a smooth fragrant taste.

Peppermint

A classic herbal tea is made from only the finest pure peppermint leaves.

Camomile
