

We are observing COVID-19 guidelines to create a comfortable and safe space for you to enjoy your time with us. A list of measures we are taking can be found on our website.

Please do let your server know if you have any questions, concerns or requests. Should you desire, we are more than happy to wear a mask or visor to serve you, and extra sanitiser can be brought to your table at any time.

We currently have super small team and therefore a super small menu. If there are any dishes from our previous menu you really want back in this interim period, please let us know.

Menus are single use and printed on 100% recycled, carbon balanced paper.
