## ABOUT ONE UNDER LIME

Nestled beneath London's iconic Lloyd's building, One Under Lime is the Square Mile's best-kept secret. We are all about terrific food, excellent coffee, wines and attentive, warm service making us the perfect place to host an impromptu breakfast meeting, enjoy lunch or simply meet friends for a drink or two.

We also love the outdoors, which is why we created our sun-trapped, traffic free terrace. In the summer you can enjoy food from the barbecue with a thirst quencher from our Peroni bar, and on cooler days we'll turn up the heat so you can appreciate the fabulous setting with

a class of Champagne and sample some food from our mouth-watering seasonal menu. So, whatever you fancy, next time you're passing, pop in for a warm and friendly welcome.

We do get very busy, so if you'd like to dine with us at breakfast, lunchtime or party in the evening, we strongly recommend booking a table in advance. If you'd like us to help with your party or event, or if you'd simply like to reserve an area for you and your friends, just give us a call.
