DRINKS LIST

HARVEY NICHOLS

Est.1831

INTRODUCTION

At Harvey Nichols we love drinks. And we wager you love them too. From the most delicious straightup Daiquiri to a serious Negroni we both agree it's got to be made with passion and pride. The list below is our inspiration for the coming weeks and months, reflecting our own tastes and flavours. Even if you are the designated driver searching for an original, alcohol free option we are sure you'll find something interesting within.

If you don't find the perfect drink then we are happy to make your favourite cocktail (exactly the way you like it of course) or suggest a drink 'off-piste' that would suit you even better than that new pair of shoes you have your eye on!

So, with that in mind...

Could we get you a drink? How would you like it served?
