

Drinks

Afternoon Tea is always a celebration and life is always better with bubbles – so we suggest you add a glass of Fortnum’s Champagne to sip alongside your sandwiches. Enjoy cocktails infused with our most popular blends, a curated wine list and a collection of no and low alternatives.

If you want to celebrate without the alcohol, Fortnum’s Sparkling Tea is a certified organic blend of eight of our famous and rare brews – making it the perfect celebration-ready alternative to Champagne.
